

As we begin this journey of distance learning we understand not everyone was prepared for the need of technology support such as internet service. Listed below are a few companies that support these services to our community, please feel free to contact any of these companies to help assist you.

Atlantic Broadband Internet Assist: Atlantic Broadband has introduced “Atlantic Broadband Internet Assist” for a limited time for residents in need in its service areas who do not presently have internet with Atlantic Broadband. The new 15 x 1 Mbps service, normally priced at \$9.99 per month plus taxes, will be offered free for 60 days. New Atlantic Broadband Internet Assist customers also will receive free installation and a free modem with the service.
