Attention Parents and Students!

Thanks to Microsoft's Student Advantage Program, all students in Grades 6 -12 currently enrolled in the Montville Public Schools are eligible to download and use Microsoft Office for free.

Office 365

STUDENT ADVANTAGE

Here's how you log into the Office 365 Portal and access your software:

1. Go to the District website and choose **Office 365 Portal** from the **Quick Links** menu
2. In the **User ID** spot, type your **network username@student.montvilleschools.org**
   Example: jsmith@student.montvilleschools.org
3. In the **Password** space, type your **network password**
4. Click on **OK**
