There are **9** activities on this menu. You have two weeks to complete ANY **3** activities. Shade in the box of the activity when it is completed to keep track of your work. Activities with \* have worksheets below to help you save and record your work. Save any written work you may create along the way to bring to Mrs. Price once school resumes.

<p style="text-align: center;"><b>Art In Your Daily Life*</b></p> <p>Today, keep a list of where you noticed visual art throughout your day. Art can be observed inside your home, outside your home, or through technology.</p> <p>Example: paintings, photographs, sculptures, pottery, printmaking (stamping), etc.</p>	<p style="text-align: center;"><b>Kandinsky (Art and Music make a great team)</b></p> <p>Use the following link: <a href="https://musiclab.chromeexperiments.com/Kandinsky/">https://musiclab.chromeexperiments.com/Kandinsky/</a></p> <p>Draw a picture and press play to hear what it sounds like! Start again and make as many as you'd like!</p>	<p style="text-align: center;"><b>Ordinary Objects Observational drawing*</b></p> <p>Collect an ordinary object in your house that you would like to draw.</p> <p>Look closely at the object and draw what you see.</p> <p>Example: spoon, fork, pot/pan, pillow, hairbrush, hairclip, shoe etc.</p>
<p style="text-align: center;"><b>Nature Art Walk*</b></p> <p>If the weather is nice: Take a walk outside and find an object(s) from nature to draw.</p> <p>Be kind, and don't disturb living things.</p> <p>Example: leaf on the ground, rock, stick, tree, bug, cloud.</p>	<p style="text-align: center;"><b>Radial Symmetry</b></p> <p>Use the following link: <a href="https://pbskids.org/splashandbubbles/games/sand-art-spectacular">https://pbskids.org/splashandbubbles/games/sand-art-spectacular</a></p> <p>Radial symmetry is when parts of an object or picture are regularly arranged and radiate from a central point. It appears both in nature and in human-made objects</p> <p>Explore radial symmetry by creating your own ocean themed work of digital art.</p>	<p style="text-align: center;"><b>Art Robot*</b></p> <p>Imagine a robot that can create art. What medium does your robot specialize in (painting, oil pastels, chalk pastels, sculpture)? What would it look like? What is it made of? Draw your creation and write a description of it!</p>
<p style="text-align: center;"><b>Self Portrait</b></p> <p>Use a mirror to look at the details on your face. Draw what you see. Have a little extra fun by adding a special hair style or hat.</p>	<p style="text-align: center;"><b>Design an art project?*</b></p> <p>Imagine if you were the art teacher for a day and could teach your students anything. Design your own lesson. Write or draw to explain your art lesson. The sky is the limit!</p>	<p style="text-align: center;"><b>Art Teacher</b></p> <p>Think of all the art projects you have created during your time at Murphy school. Pick your favorite to teach to someone at home.</p> <p>Don't forget to get their attention with the call and response of...</p> <p style="text-align: center;">Teacher: <b>Mona</b> Student: <b>Lisa</b></p>
