

APRIL SIGHT WORDS

Please practice reading these new sight words at home with your child as a review of the words we are learning in school. We have 75 sight words to learn this year. You can write each word on an index card to make flash cards. You can make two sets and play a matching game. Please practice each night until your child knows all of these words very well by memory. 😊

PREVIOUS SIGHT WORDS

Please practice reading these previous sight words at home with your child as a review of the words we are learning in school. We have 75 sight words to learn this year. You can write each word on an index card to make flash cards. You can make two sets and play a matching game. You can even make a BINGO game. Please practice each night until your child knows all of these words very well by memory. Thank you! 😊
