

Plans for Kindergarten Students for the next two weeks:

1. Work on your two new charts:

- ***Two Week Activity Chart***
- ***Kindergarten Math and Science Activity Menu***

2. Continue working on your March Homework Activities Chart.

3. Practice learning your sight words. We have enclosed the new April sight word list with all the previous sight words on the back.

4. Here are some free educational websites that your child can access to practice many kindergarten skills.
